Sir:

15

The attached copy of the Sequence Submission is for the patent application submitted herewith. The computer readable form in this application is equivalent to with that filed in parent application USSN 08/887,977. In accordance with 37 CFR 1.821(e), please use the computer readable form submitted in that application on January 26, 1998, as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes

The attached copy of the Sequence Submission and Amendment was originally submitted to the patent office in the parent application, USSN 08/887,977, in response to the Notice to Comply with Requirements for Patent Applications containing Nucleotide and/or Amino Acid Sequences dated September 26, 1997, for incorporation into the specification, on January 26, 1998.

Respectfully submitted,

Dated: January 3, 2002
